SWELL CENTER  
20 JACK 22  
VAULT PATTERN

The Case Small Swell Center Jack (25-1/2) has returned for 2022, placed prominently in the spotlight of Case's popular XX® Vault Program. Crafted by Case artisans as early as the 1940s, the Small Swell Center Jack was a common companion for workers on the factory floor or out on the farm. Today, this handy knife, at just 3 inches in closed length and weighing in at a mere 1.7 ounces, remains a fan favorite, with its antique soda bottle shape and multi-purposed Clip and Pen blades. Don't delay in ordering these knives before these handy Jacks return to the Vault at year's end!

**1 CLIP BLADE:** Designed for routine cutting tasks; the pointed end makes piercing simple.

**2 PEN BLADE:** Great for light duty work.

**3 WIDE VARIETY OF HANDLE MATERIAL OPTIONS:** Offers mass appeal to Case consumers.
