# CATTARAUGUS RAZORS

George W. Korn of Chicago came to Little Valley to build a brick building on the east side of Cattaraugus Cutlery. He formed the Korn Razor Manufacturing Company who made a complete line of straight razors for Cattaraugus. These razors gained notoriety within the cutlery world. Today's newest generation of Cattaraugus razors are manufactured in Solingen, Germany, which harkens back to the beginning of Cattaraugus' rich history.
