CONGRESSIONAL  
**MEDAL *of* HONOR**  
 SOCIETY

The Medal of Honor is the United States' highest award for military valor in action. While nearly 160 years have passed since its inception, the meaning behind the Medal has never tarnished. Etched within are the very values that each Recipient displayed in the moments that mattered—bravery, courage, sacrifice, integrity. A deep love of country and a desire to always do what is right.

A distinguished award presented only to the deserving, the Medal tells a story of its own.

As individuals who have gone above and beyond the call of duty, the Medal of Honor Recipients are committed to serving our country in peace as they did in war by championing the values of courage, sacrifice, integrity, commitment, patriotism, and

citizenship. That mission has become increasingly important as the number of living Medal of Honor Recipients continues to decrease. The nonprofit Society preserves their stories and shares their values through Outreach and Education initiatives. By serving, remembering, supporting, and honoring the sacrifice of the Recipients, by sharing the stories and values inherent in them, we understand the responsibility and potential within each one of us to impact the world.

World Trade Limited is a proud supporter of the Congressional Medal of Honor Society. 25% of net revenue for all Medal of Honor Clear Corelon® Trapper Gift Sets sold will go to the Congressional Medal of Honor Society to support their Outreach and Education initiatives.
